

Accessibility Statement for Metis Conferences Website

Commitment to Accessibility

Metis Conferences is committed to ensuring digital accessibility for all users, including people with disabilities. We strive to comply with the UK Equality Act 2010, the European Accessibility Act (EU 2019/882), and the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA.

Measures to Support Accessibility

To achieve these standards, we have taken the following steps:

Ongoing Audits: We conduct regular accessibility reviews using both automated tools and manual testing with assistive technologies (screen readers, keyboard navigation, etc.).

Semantic Markup: Our site uses semantic HTML elements (ARIA roles, proper heading structure, alternative text for images) to support assistive technologies.

Keyboard Navigation: All interactive elements (menus, forms, buttons) are operable via keyboard alone.

Contrast & Typography: We ensure sufficient text-to-background contrast ratios and allow scalable font sizes to support low-vision users.

Video & Multimedia: Captions and transcripts are provided for video content wherever possible.

Known Issues & Workarounds

Despite our efforts, some areas may not yet meet all accessibility requirements. If you encounter any barriers—such as missing alt text, form labels, or color-contrast issues—please use the workaround below while we address them.

Feedback & Contact Information

We welcome your feedback on the accessibility of www.metisconferences.com. Please let us know if you encounter accessibility barriers:

Email: info@metisconferences.com

Phone: +44 7426 377 301

Postal Address: Metis Conferences Ltd., 12 Upper Woburn Place, London WC1H 0HX, UK

We aim to respond to all queries within 5 working days.

Enforcement Procedure

If you believe we are not meeting our accessibility commitments, you have the right to file a complaint with a supervisory authority, such as the UK's Equality and Human Rights Commission or your local EU member state authority.

Review & Updates

This statement was last reviewed on May 28, 2025. We will update it as our website evolves or as legal requirements change.
